Dear Mr. Simon:

On July 31, 1987, in a letter to you from Michael P. Lawlor, CECOS International, Inc. submitted technical information to you regarding the above-mentioned facility. It has come to my attention that the attachment had not been properly copied, and collated. Therefore, I am providing you with a new copy of the technical information that is in the correct order.

I apologize for any inconvenience this matter may have caused you. Please contact me at (713)870-7010 if you should require any additional information to assist you in your review.

Very truly yours,

*Marina Liacouras Bouley*
